One event card › many personal memory cards › guests keep them forever.

THE GUEST CHOOSES

The event creates the card. The guest owns the memory.

Keep private

Only the guest can see it.

Share on social media

Shared with the guest's own branding.

WHAT THIS MEANS

The event creates the card. The guest owns the memory.

- Each guest owns their own photos, captions and memories.
- Guests choose whether to keep them private or share them.
- Organisers cannot automatically access guests' personal memories.

PRIVACY

Your guests' memories stay private to them.
